The EBN *Story*

The E-Business Network (EBN) International Group

What is EBN?

- E-Business Network International (EBN) with its official website as <https://www.ebn.biz> is a Global Technology Company delivering advanced future internet & e-Commerce services using Multi-Level (Network) Marketing to Promote its digital products and services. Positioning to become one of the top 10 Technology & Internet Giant and leading Multi-Level Marketing Corporations through World Class performance, providing advanced technologically-driven digital products and concepts starting with its phase 1 product called <https://Konektor.ai>
- Like Several Great Companies, EBN faced its own share of start-up business Challenges, BUT through the Never giving up and never giving in attitude of its Founders, EBN stood the test of time, survived and Today is positioned to lead the New wave of global technology providers & The Network Marketing Business Distribution model.
- Chaired By its Founder & CEO, Mr. Smart Alozie, a renowned international network marketing guru and Businessman with over 20 years experience and an Achiever in the world of network marketing.

A man in a bright orange suit is seated in a large, ornate wooden office chair behind a matching wooden desk. The desk is cluttered with various office supplies including a calculator, a pen holder, a laptop, a mouse, and a telephone. The background features a large wooden cabinet with glass doors, a water dispenser, and a lamp on a side table.

The Users

Understanding them...

The FREE User

The FREE user

- A Free user is someone who signed up and downloaded the Konektor Social App OR any other EBN's Products. He would have Limited usage of the app features.
- A Free user would be able to share his app by inviting his friends around the world to download the app.
- A Free user would be able to Receive "konektor Cash" gifting for his Talent and Creative Short-videos from his social circles and followers.

The Customer

The Customer

A customer is someone who just wants to upgrade from Free to paid user to get full access of the entire features of the products without access restrictions or limitations

A Customer can either buy the \$100 or the \$900 Package...

A Customer can upgrade from the \$100 to the \$900 Package by simply paying the difference between both Packages in this case \$800.

A customer would not be able to earn commissions for sales of product. Since He/She is simply a paid user. To Earn commissions, He would have to become an IMA which gives him the tools to make sales as well as build teams.

THE IMA

The IMA

IMA's (Independent Marketing Associates)

To be an IMA, a non-commissionable one-time for life fee of \$10 is expected to be paid.

This payment allows an IMA to:

- a). Have Our members Back-Office area
- b). Have A replicated or referral websites
- c). Participate in earning 10% Instant ASC (Affiliate Sales Commissions)
- d). Access our Members Marketing Tools
